

## Solar Installer

Certasun is Illinois's premier home solar company. We are 100% locally owned and live in Chicago and the suburban communities we serve. We are committed to an exceptional customer experience and the highest ethical standards. We are also growing fast, so this is a great opportunity to get in on the ground floor of a great industry.

We are seeking professionals with construction, roofing, or electrical experience to join solar installation teams.

### Responsibilities

- Safely install the world's best rooftop solar systems on customer homes across the Chicago metro area.
- Collaborate with teammates to make each installation run smoothly: ensuring tools and materials are ready, problem solving on site as necessary, and clearly communicating with customers and co-workers.

### Requirements

- Minimum one year of construction experience, preferably including roofing
- Quality-conscious, taking pride in the work you do
- Used to working in a team environment / Good communication skills
- Able to lift 50lbs and willing to work hard in outdoor construction year-round
- Valid driver's license and reliable transportation for commute to job sites around Chicagoland area
- Able to pass drug test and criminal background check
- Authorized to work in the United States
- Bonus: experience installing rooftop solar

### Benefits

- Competitive compensation package
- Medical insurance coverage
- 401(k) with company matching
- Paid time off and paid holidays
